EMPLOYEE GUIDELINES

Employees Roles and Responsibility: Attached to an Offer of Employment, is a description of the job and the associated responsibilities, along with any additional tasks that may be required. This document will be used to evaluate performance both during the probation period and after. If an employee is unsure of its contents, they should not hesitate to ask for clarification.

From time to time, it may be necessary to amend an employee's job description.

These amendments will be discussed with the employee in advance; however, the final decision on the implementation will be made by upper management.

- 1. Do Early Homework:** Every employee is responsible for understanding the work allotted and determining if it is appropriate for him. He/she should make sure whether he/she has mastered the skills required to perform the task completely. If he/ she is not sure about how to handle the work allotted to them, they should talk with their superiors and get suggestions and directions in fulfilling the work allotted to him/her. This will help the employee in building good relations with not only their superiors but also with their colleagues.
- 2. Plan with the Manager:** Having a proper work schedule or time table for the work allotted to the employee helps the employee in Time Management and reaching the deadlines on time.
- 3. Take Responsibility and Use Available Resources:** The employees should have sense of responsibility towards the resources of the Organization. As a part of the Organization, every employee is equally responsible for the long life of the existing resources, for which smooth usage and suggestions for usage is required, which in case if not provided should be requested for.
- 4. Participate:** Active listening and participation in teams will ensure that all employees become good team players and work with unity towards common goals of the Organization. Whenever a new work is being allotted, all the Employees should be eager enough to take the initiative rather than trying to avoid newer tasks. This will facilitate in employees learning new skills and reaching the Organizational goals with much effectiveness.
- 5. Be Punctual And Regular:** The Prime responsibilities of every employee must be Punctuality and Regularity. You can be better organized by being punctual and regular. Unwanted and unexpected work delays can be dealt effectively.

6. **Cleanliness is Next To Godliness:** One should maintain the cleanliness on their desk, and also premises of the Organization. If you and your premises are clean you will find it more encouraging to work and also it be convenient to work for other employees.
7. **Washroom:** Please use the washrooms with reasonable precautions keeping in mind that you are not the only person who use it. Office Toilet Etiquette refers to set of rules an individual needs to follow while using the office washroom. It is essential to keep toilets clean and hygienic to avoid transmission of germs and infections. A dirty and unhygienic toilet is the breeding ground of several diseases.

Trainees are requested to schedule their submission and paper work on Saturday or else get written Request from respective college for working days off.

Let us go through some **Office Toilet Etiquette** necessary for an individual to follow:

- Never leave the washroom dirty. Smelly toilets are big turn offs.
 - Lock the door carefully when you are inside.
 - If someone is inside, don't peep under the doors or knock endlessly. Wait for the other person to come out.
 - Female employees should avoid carrying their handbags inside the washroom. Do not carry expensive items to the washroom.
 - Make sure you do not wet the toilet seat. Do not throw water on the floor as someone might slip and get hurt.
 - Never forget to use flush once you are done. Check the toilet seat for unwanted stains or substance. Do not hesitate to inform the administration if the flush is not working.
 - Make it a point to wash your hand with an antiseptic soap or sanitizer every time you use the washroom. Use a tissue paper to wipe off hands.
 - Do not spit on walls. It is absolutely childish to write names or make designs on toilet walls.
 - Don't take much time inside the restroom. One should avoid taking hand phones inside the washroom.
 - Make sure you do not throw anything in the commode. Tissue paper must be thrown inside the dustbin and not anywhere else. Sanitary napkins must be wrapped in poly bags and disposed in dustbins.
 - Do not leave the washroom with taps on. It is important to conserve water.
 - One should not smoke inside the office toilet. It leads to suffocation.
 - Do not throw unwanted hair or soap wrappers in the washbasin. Keep the soap inside the soapcase.
 - Bring it to the notice of administration clean the toilet whenever it is dirty.
- Please be organized and contribute to the growth of the Organization. Everyone grows with the Organization. So, Organizational Growth is our Growth.

Professionalism/Attire: When representing Shiv TechnoLabs Pvt Ltd., staff should dress and behave appropriately. Employees should choose to dress in a manner, which presents a professional image to the public and is respectful of others. Profanity is neither professional nor respectful to co-workers and will not be tolerated. All the Employees are requested to come in professional attire from Monday to Thursday. Friday employee can come in casual Attire.

Monday to Thursday – Business Formals are compulsory
Friday - T-shirts are allowed
Shoes are compulsory for the both

Discipline: Discipline at Shiv TechnoLabs Pvt Ltd. shall be progressive, depending on the nature of the problem. Its purpose is to identify unsatisfactory performance and/or unacceptable behavior. The stages may be:

- Verbal reprimand
- Written reprimand
- Dismissal

Under grave circumstances, the dismissal can occur without verbal or written reprimand. Some examples of these types of situations are theft, assault or wilful neglect of duty. In all cases, documentation will be included in the employee's personnel file.

Health and Safety: Shiv TechnoLabs Pvt Ltd. along with its employees, complies with all requirements for creating a healthy and safe workplace. Employees who have health and safety concerns or identify a potential hazard should contact HR immediately. As such, smoking or use of Alcohol/Drug in the offices of Shiv TechnoLabs Pvt Ltd. is not permitted.

Harassment: Shiv TechnoLabs Pvt Ltd. wants to provide a harassment-free environment for its employees and volunteers. Mutual respect, along with cooperation and understanding, must be the basis of interaction between members and staff. Shiv TechnoLabs Pvt Ltd. will neither tolerate nor condone behaviour that is likely to undermine the dignity or self-esteem of an individual, or create an intimidating, hostile or offensive environment. Misbehaviour or verbal abuse or misconduct against anybody is strictly not allowed in Shiv TechnoLabs Pvt Ltd..

Dispute Resolution: Regrettably, conflict can occur in any working environment. In an effort to resolve conflict in an expedient, yet fair manner, Shiv TechnoLabs Pvt Ltd. recommends the following process for conflict or dispute resolution.

Speak to the person you have the dispute with. Many times disputes arise due to misunderstandings and miscommunications. If speaking to the individual does not work, speak to the HR. HR will arrange a meeting between those involved in the dispute, to determine a resolution. If that fails to work, you may approach the Upper Management.

Identity/Punch Card:

Employee needs to mark entries for his incoming & outgoing timings. For Official Visit need to Mark "P" under the date option. Or else it will be consider as Personal Leave.

The ID Cards signify the employee branding and his respect to the work culture of the company they work for. If employees stay in the office for long or up to mid night hours, the Police may interrogate while he/she returns home during midnights from the office where ID card serves as a proof that the employee was engaged in lawful activity in the office. The Identity Card is mandatory for all Employees. If any Employee loses his/her Identity Card, they need to Pay Penalty for that to the Organization.

All employee needs to punch the card whenever they In or Out from office. Employee must need to punch their Lunch/Dinner In or Out Time. Whenever employee get any personal call or going for any personal work they need to go outside and punch out.

Use of Email Communication / Outlook and Company Property

Email process should be followed for any work discussion or if any questions arise in spite of having verbal discussions with the colleague/manager. Please note that other than email communication, any other way of communication will not be considering as official communication.

Please check below as well:

- Do not circulate junk mail to your staff members.
- Email Signature is mandatory for all employee, Only official numbers should be added in the same.
- Employees are requested to contact HR department, if they found any unofficial activities are happening in the office without their notice. This will be counted as employee's honesty towards the organization.
- Always use the company email for official work.
- Do not open / browse unnecessary sites through company internet (Like job portals, entertainment sites etc.), because your activities will be monitored through the server.
- Do not circulate sensitive mails (Like Violence article, videos about the community) into the office staff since it can negatively affect the office atmosphere. In case you do, you are bound to lose your job or face strict disciplinary action.
- Always segregate important mails. If you are using outlook, create folders so that you can retrieve desired information whenever needed.
- Take a backup copy of your email (Weekly, Monthly whichever is easy).
- Check whether your antivirus is updated. If not, please inform the Network admin.
- Never share and/or write violent words in the mails.
- You must be very cautious when using the office equipment and facilities (Like Internet, Telephone, Office mobile, Stationery Items, Transport, Computer, Printer, Scanner, Photo-copier, A.C, and office space in general). These and other items must not be misused.
- Employee are not allowed to surf any websites/URLs which are not part of work.
- After changing any Skype, Windows and email password, kindly inform Mr. Kishan without fail

Small tactics to improve client satisfaction/management

Sharing several small tactics to achieve in a better way client's satisfaction/management so client will not do escalation to higher management about our work.

- Always inform client before you leave your desk - Lunch/Dinner/Break/Phone call/ office comein/out
- Try to take communication on paper via email/Skype chat
- Send MOM- Minutes of the meeting after Skype/phone call and try to get client's reply on it
- Inform client before you take leave after the approval of your Team leader
- Do kick off meeting with client after your email introduction by business development team and fix final scope of requirement by sending MOM email after the call.
- If client is proposing for the meeting and did not come for any reason then drop an email that we were available but meeting postponed because of specific reason from his side in gentle way.
- Maintain delay feedback and scope change request sheet so we can convenience our client in dispute/project closure situation
- Take regular follow ups after some fixed days of client via email/Skype for delivered milestone/task/sprint/designs
- Inform client that if they are making changes then they should notify us via email/Skype
- If you think that your verbal English communication is weak then try to use Skype chat/email communication by considering client's preference as well so you can check that communication for better understanding of requirement
- Follow same code standard with proper comments. It will create very good impression at client side and if another developer is working on your project in emergency and you are on leave then it will be easy for that developer to understand your code.
- Don't ask small things to client. Try to follow suggestive approach if you want to ask then ask but also involve your suggestions/understanding for your questions.
- Don't inform small bugs/points promptly to client if anything is not working otherwise client will be frustrated

- Give prompt response to client even if it's standard response "I will get back to you soon" so client will not be frustrated on you and will not go to your team lead/BD Team
- Follow point wise email rather than paragraph so it will be easy to read and approve your work from client side.
- It will be more helpful in project closure if we can take approval via email regarding completed points/sprints even if client is using project management system

We can reduce many hurdles from client/team side by following above all small tactics. It helps us to increase professionalism towards client.

ACTIVITY FOR MOTIVATION/PERSONAL-PROFESSIONAL DEVELOPMENT/ ENTERTAINMENT

At the discretion of the Upper Management, employees may be able to attend conferences, courses, seminars and meetings, identified through annual work plans and performance reviews, which may be beneficial to the employee's professional development. If these opportunities are directly related to the employee's position, or are suggested by the Upper Management, then Shiv TechnoLabs Pvt Ltd. will cover the cost of registration, course materials and some travel expenses.

Festival Celebration: As in the case of every festival, the fun multiplies when you share it with close associates and family. In today's corporate world, with employees spending most of their time at work, the bond they share with colleagues is definitely strong. Hence, celebrating it with colleagues is natural. Understanding this, companies do capitalize on the occasion and plan various activities that help employees bond together and overall increase the affinity towards the company, its culture and their colleagues. After all, engaged employees foster collaboration, performance and team spirit. Also, various studies have already proved that engaged employees have a direct impact on business performance. Shiv TechnoLabs Pvt Ltd. may celebrate festivals by decorating the office and may arrange for snacks and other items necessary for the celebration.

Employee Birthday Celebration: Each month a list is prepared by the HR Department that contains the names and dates of birth of the employees born in that specific month. The organization has a policy To stick the photo of the Birthday Girl/Boy on Notice Board.

Picnic: Company picnics can be a lot of fun. Employees get to socialize with each other while enjoying food in a fun and friendly environment. Company picnics promote interaction of employees outside of the workplace. In addition, it fosters an environment where employees at different levels of the hierarchy can socialize with co-workers they might not have had the opportunity to socialize with otherwise during their standard workday. This is also an opportunity for the upper level management to be more visible to the workforce of the company. A company picnic increases the morale in the office as employees feel appreciated and enjoy a day out of the office. They can also allow open interaction between executives and employees in a non-intimidating environment. Company picnics also allow employees to network within the company with other employees that they might not interact with on a daily basis.

Employee can have look of the photos of different event celebrated in Shiv TechnoLabs Pvt Ltd. on company's Social Media pages,
